09/2020 – 06/2025 Ankara,Turkey	**Software Engineering** *Ostim Techhnical University*

🧠 Skills

Python │ React │ React Native │ C++ │ C# │ Machine Learning and Artificial Intelligence │ TypeScript │ HTML │ JavaScript │ CSS │ Visual Studio │ Collab │ SQL

💼 Professional Experience

02/2024 – 02/2024
Ankara,Türkiye

Intern
Sigun Bilgi Teknolojileri
- Using their codes, sites and direction; reworked the buttons and their usage such as new entry, editing the entry, transfering the froms.
- Changing from form to downloadble content like a xlsx, csv, xml files and downloading them.
- Using their system i started an easy react native app for registration.
- Using Their Tokens to actually log in and sign up.
- Used Redux Toolkit to start then Context API and React Cookies for better management.

07/2023 – 08/2023
Ankara,Türkiye

Intern
Ostim Technical University - Dr. Bahaeddin ERAVCI
We started a group project to analyze skin tones with AI models.
Utilizing the photographs and data obtained from our research, we trained various algorithms.

02/2023 – 02/2023
Ankara,Türkiye

Intern
Sigun Bilgi Teknolojileri
- Made a mobile app using React Native and Google Maps.
- It gave directions to walk to certain pre-selected places.

07/2022 – 07/2022
Ankara,Türkiye

Intern
Sigun Bilgi Teknolojileri
For me to grasp React I made a website using React.
This project is made of an object that moves when it hits the edges of the page it changes directions as well as its colour. The colour value is assiged at random.
I learned how to use movable objects as well as active colour changing.

02/2022 – 02/2022
Ankara,Türkiye

Intern
Bilgeweb Web Tasarım
Made a beginer website using HTML,CSS,JavaScript with connecting SQL by using MySQL

📁 Projects

Mind Games
Sudoku and Minesweeper
Using React Native for both web and mobil
Used Responsive Desing aspects to improve compatibility across all devices

Volcano Explotion Simulation
Using probability distributions of nature and published articles.
Cause we had only one value for every variable we used Monte Carlo and probability distributions to give us a range as well as a average to base our calculation

🌐 Languages

Türkçe	English
▬▬▬▬▬▬▬▬	▬▬▬▬▬▬ IELTS Academic Overall Band Score 7.0

✒ Interests

Playing Piano and Guitar	**Reading**	**Playing Mind Games** Sudoku, Wordle etc

📑 Certificates

Siber Güvenliğe Giriş(BTK) │ İşletim Sistemlerine Giriş (BTK) │ Proje Yönetim Temelleri(BTK) │ Temel Ağ Teknolojileri (BTK) │ Kuika ile Az Kodlu Uygulama Geliştirme (BTK)
